PICK OF THE MONTH

Introducing the world's most precious mattress — the Magniflex Gold.

Dreams of Gold

NOW YOU CAN SLEEP IN THE LAP OF LUXURY — QUITE literally! The product under discussion is the Magniflex Gold mattress, the world's most valuable mattress lined with 22K gold yarn fabric. This ultra-luxe product comes from the internationally renowned Italian mattress manufacturers: Magniflex. The company, after leaving its imprints on 78 countries across the globe spread its golden wings in India in association with Polyflex. Gold, being a noble metal, possesses a plethora of features — it is thermoregulating, odour-proof, durable, static-free and

has anti-stress properties. Magniflex Gold is made up of Memoform Magnifoam, a material which, as per the pressure applied, adjusts to the body's contours to render maximum comfort. Also, its elastic structure is non-deformable, such that when sharing a bed, the body movement of one does not disturb the other. The mattress comes with a personalized ebony and gold label bearing the customer's engraved name. Made to order, it has a removable cover that can be dry-cleaned. Size options include: 24 cm/10 ft and 30 cm/12 ft.
