FRILL SEEKERS

Italian mattress makers Magniflex have a made-to-order gold mattress lined with real 22-carat gold yarn on offer. The gold fabric makes their mattresses thermo-regulating, anti-bacterial, static-free and odour-proof, say the makers.

They also come with an ebony and gold label, which has the customer's name embroidered on it in, what else, gold. Available in 10-inch or 12-inch heights. Prices start at ₹15 lakh. *If your sleep is that precious, call 99861-56975 for details.*
