All for gold

The Italian luxury mattress brand, Magniflex, has made its appearance in the country and is promising a night to truly remember – for that matter every night – with its gold mattress that is made of 22 yarn gold fabric. It is the most expensive mattress in the world. Truly fit for the modern day regal evenings.

Price: ₹27 lakh

It's all about
luxury

Good times in life are determined by hard work and luck... and there's no better way than celebrating with a gift for your loved ones. Make sure it's the very best
