So, make your sleep and relaxation time even more blissful with Magniflex's latest Duoform XS Firm Mattress—an Italian masterpiece specially crafted for you. This fine combination of style and comfort comes with an array of sophisticated features. The core of the mattress consists of an inner layer of Memoform Magnifoam and Eliosoft—while Memoform enhances the comfort, contouring and cushioning of the natural curvature of the back that relaxes the body and improves blood circulation. Eliosoft has excellent breathability and gives density to improve the mattress' rigidity and deformability. We loved Duoform XS Firm Mattress.
