In the name of SWEET DREAMS

STORE LAUNCH

SATURDAY, JUNE 9

100 FT ROAD, KORAMANGALA,

THE Italian luxury-mattress brand, Magniflex launched their first store in the city and unsurprisingly, there was a party to mark the occasion. The event rather interestingly also saw well-known and well-respected architects, Karan Grover and Jaisim attend the party. Of course, representing their company to celebrate its first foray into India and Bangalore, repwere the dapper-in-suits Marco Magni and Enrico Cenni. What else can we say but 'Here's to sweet dreams!'
