**VOGUE LIVING**

**HAVE A LIE-IN**  
The merits of eight hours' sleep aren't lost on anyone and Magniflex's latest creation, Press Touch, is designed to mould itself around your body, making you want to hit snooze and sleep in just that much longer. *Polyflex.in*

The advertisement features a photograph of a bedroom with a large bed. The bed has a white mattress with a decorative border and a dark wooden frame. The room is elegantly furnished with a patterned headboard, a nightstand with a lamp, and a patterned chair. The text is overlaid on the image, with the brand name 'VOGUE LIVING' at the top and a yellow callout box containing the headline and descriptive text.
