Love your sleep the Italian way!

Italian mattress master Magniflaex has introduced Duoform XS Firm mattress in the Indian market. The core of mattress consists of an inner layer of Memoform-Magnifoam and Eliosoft. While Memoform aids in the comfort, contouring and cushioning of the natural curvature of the back that relaxes the body and improves blood circulation, Eliosft has excellent breathability and gives density to improve the mattress' rigidity and deformability. It is embroidered by artisans with heart patterns denoting the love for sleep. The entire mattress is anti-allergenic and 100 per cent natural. The mattress comes at a height of 15cm/6 inch.

Price Range- The price of the Duoform XS mattress is ₹49,000
